How to Achieve Success, Find the Right Career Path, and Attract Exciting Job Offers

Transitioning into the workplace can be confusing and challenging. As a graduate of the University of Toronto Scarborough, HR professional, and entrepreneur, Rosa Cao Liu shares her career journey, including challenges, successes, tips, wisdom, and insights that have worked for her academically, after graduation, and in her job search, to inspire students as they prepare to embark on their own career paths.

In her talk, you will learn:

- The best way to improve performance, learning, and time management, so you can succeed with confidence
- The secret to finding the career path that makes sense for you, even when it feels overwhelming
- What to focus on to achieve greater results and return on investment in your job search
